

# Stephen Zanotti

## Report Summary

ⓘ "Percentage favorable responses" refers to the percentage of survey responses that answered a given question favorably. For positively worded questions, "Totally True"/"Very True" and "Mostly True" are considered favorable answers. For negatively worded questions, "Totally Untrue"/"Not True" and "Mostly Untrue"/"A Little True" are considered favorable answers.

### Overall results

These are your aggregate results across all questions on the survey. They can help you get an idea of your overall performance.

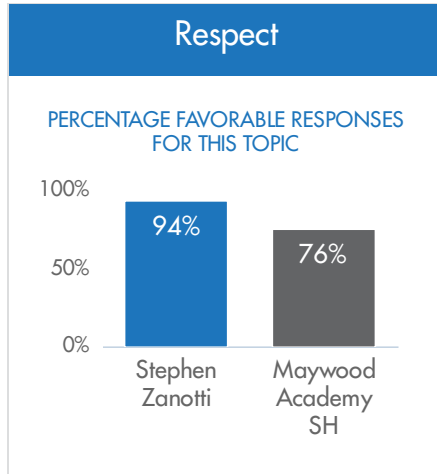

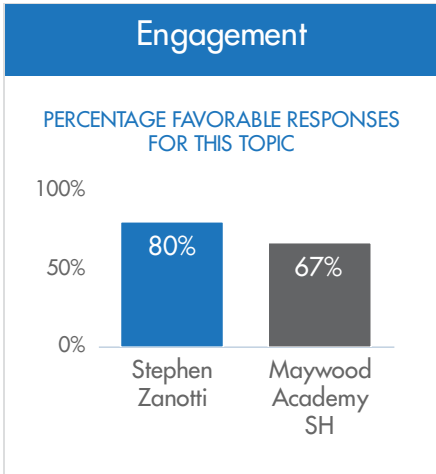

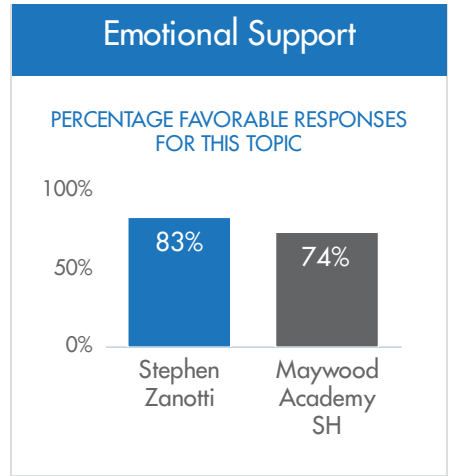

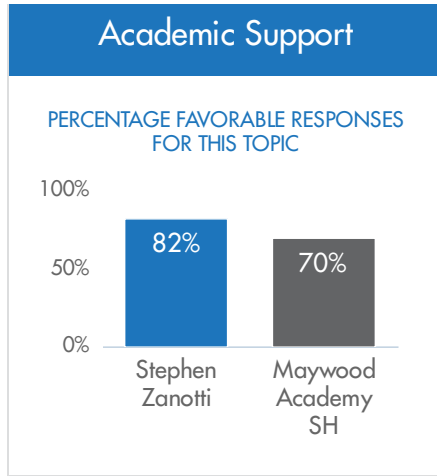

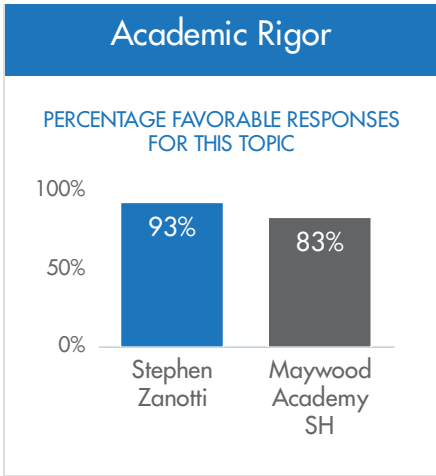

### Topic breakdown

These are your results broken down by topic. They can help you determine areas in which you received more or less favorable feedback.
